*Experience the magic of Africa*

# A BRIEF HISTORY OF ZULU NYALA

1981 - With Trevor Shaw at the helm, the dream, the passion and the foundations of Zulu Nyala began. The name is based the predominant Zulu culture in the area and the beautiful and shy Nyala antelope, native to Southern Africa and typical to the KwaZulu-Natal region.

1991 - A decision was made to sell off a section of the original property and a prime undeveloped portion with spectacular views was kept. Trevor Shaw began constructing a 'gentleman's camp', an exclusive 12 room thatch and stone lodge that took full advantage of the view. Since then, development has barely stopped and the original camp has grown to become a magnificent private lodge that today hosts guests from all around the world.

Over a period of time, Zulu Nyala acquired numerous adjoining neighboring properties. The game reserve surrounding the Safari Game Lodge is home to over 40 different animal species and hundreds of different bird and indigenous plant life.

1996 to Present - Zulu Nyala acquired the gracious Heritage Safari Lodge adjacent to the Zulu Nyala Game Reserve. The lodge has since been restored and additional accommodation has been added that includes the Heritage Tented Camp & Luxurious Heritage Suites.

# ZULU NYALA HERITAGE SAFARI LODGE

The Heritage Safari Lodge was originally built in the 1940's as a hotel and was a landmark pitstop for weary travelers between Maputo and Durban. Acquired in 1996, the gracious building was lovingly restored to its original colonial grandeur, enhanced with new accommodation, and tastefully themed to highlight Zululand's unique cultural heritage.

With buffet-style meals in our restaurant, the wide, welcoming veranda and our 'human watering hole' – the pub or thatched boma, warm and relaxing atmosphere is conducive to shared good times and conviviality.

## FACILITIES

Most of the facilities are located in and around the main Hotel which serves as a wonderful venue with an elegant lounge, spacious dining rooms and a traditional bar with two pool tables.

Take a refreshing swim in one of the two sparkling swimming pools or laze on one of the loungers in the African sunshine. Our open air boma with its traditional Zulu feel and decor is the perfect venue for under the stars dinners.

Enjoy a stroll around the extensive gardens and stop past the crocodile pond and observe these prehistoric looking reptiles in their natural surroundings or just relax and enjoy the spectacular sunsets.
